I/we certify that this manuscript or one with substantially similar content under my/our authorship has not been published or is being considered for publication elsewhere. I/we accept full responsibility for the conduct of this study to publish in your journal. I/we certify that I/we have participated sufficiently in the intellectual content, conception and design of this study or the collection, analysis and interpretation of the data, as well as the drafting of the manuscript, to take public responsibility for it and have agreed to have my/our name listed as a contributor. I/we certify that I/we have taken all necessary permissions from our institution and/or department for conducting and publishing the present study. I/we also certify that the patients/participants in this research or study have given the consent to the inclusion of material themselves.

I/we hereby assigns (s) or transfer(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the Journal, in the event that such work is published by the Journal. This assignment is made to publish, reproduce, distribute, display and store your article world wide in all forms.

I/we are fully aware that plagiarism is wrong. I/we know that plagiarism is the use of another person's idea or published work and to pretend that it is one's own. I/we declare that each contribution to this study from the work(s) of other peoples published works or unpublished sources have been acknowledged and source of information have been referenced. I/we certify that I/we are solely responsible for any incomplete reference that may remain in my/our work.

I/we certify that the authors have no conflict of interest regarding the publication of this manuscript. Financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this study have been disclosed in the cover letter. Sources of outside support of the project are named in the cover letter.
